

-PRESS RELEASE-

“Taste of the Towns” raises over \$100,000 for Nashua Center!

The Nashua Center’s 9th Annual Taste of the Towns Wine/Food Tasting and Benefit Auction, held at the Nashua Country Club for the first time on Friday, March 25th, proved to be a recipe for success! Well over 350 attendees sampled specialty dishes and fine wines from more than 30 area restaurants, bakery, wineries and wine brokers. In addition to the food and wine, silent auction items were on display for bidding while moving throughout the Club. The tasting was followed by a live auction and brief presentation about the Center. Angie Kopka, a longtime local realtor and former NH State Legislator was recognized as this year’s Honorary Chairperson for her years of community services and support of the Center. All proceeds from the event will be used to support Nashua Center’s four major service programs. For more information about the Nashua Center, the participating restaurants, wine brokers/makers and sponsors of the event, visit the Nashua Center’s website at www.nashuacenter.org.

HONORARY CHAIRPERSON PRESENTATION
